Make a Night of It

The Start of Something Special...

Your special day should be as unique as you are. At Forest Hills we offer the perfect blank canvas so we can tailor make your dream day.

We're licensed for civil ceremonies and outdoor ceremonies with stunning views of the Mersey Estuary.

We have function suites for weddings from 2 people to 200 people, with lots of options to chose from.

Your requirements are individual to you, and so we can create a wedding package just for you.

Our aim is simply to provide you with the very best, with guidance on organisation in the early stages to the final little details and special touches to make your day simply wonderful.

A photograph of a bride and groom in a romantic pose, kissing. The groom is wearing a grey suit and a red tie, and the bride is wearing a white wedding dress and holding a bouquet of flowers. They are standing on a path covered with fallen autumn leaves, with a large tree in the background.

YOUR WEDDING CEREMONY

If you are planning a civil ceremony to be held at Forest Hills Hotel, you need to contact the Ceremonies Officer direct to organise the date and proceedings.

Once you have booked your date, it is important to confirm your date immediately with the Chester Registry Office to ensure they have availability.

You will then decide where in the hotel you wish to get married. You can choose from:

- Delamere Suite
- Manley Suite
- Alvanley Suite
- Vale Royal Suite
- Overton Suite
- Kingsley Suite

Each room is unique and has different capacities, so you can choose which suits your style of wedding.

Alternatively, you may choose to have your wedding ceremony outdoors (weather dependant of course!)

FOREST HILLS HOTEL

*A successful marriage requires
falling in love many times, always
with the same person.*

OUTDOOR CEREMONIES

Outdoor weddings are becoming incredibly popular, mostly because of the stunning photos you receive as a result. Get married overlooking the stunning Mersey Estuary in the grounds of Forest Hills.

You will need to book one of our Licensed rooms to make your legal declarations and also as a plan "B" in case of bad weather. The Hotel will make the decision on the day, dependent on the weather, if the ceremony is outside or in the licensed room.

In most respects your outdoor ceremony will be no different to the one held indoors - with all the expected elements such as an exchange of vows and rings, readings etc. However, for legal reasons there will be minor changes to the format of an outdoor ceremony.

Our wedding co-ordinators will be on hand to assist you throughout the booking process. If you're interested in getting married outdoors, or can't pick a room, they'll be happy to provide the best options for your big day.

WEDDING PACKAGES

Your special day should be as unique as you are, but sometimes it's easier to get an idea of what it is you'll be getting for your wedding budget.

We've created a range of wedding packages to suit everyone, but if you're looking for something bespoke to you, simply ask our Wedding Coordinators to build a unique package to you.

Don't forget to just ask! If you want something in particular, we would be more than happy to look into it for you, within reason.

Our aim is to provide you with the very best guidance and organisation in the early stages to the final little details and special touches to make your day simply wonderful.

Being deeply loved by someone gives you strength, while loving someone deeply gives you courage.
