

## Beer Weekender Room Package Recommendation List

### Brewery Tours & Experiences:

- **Silhill Brewery** – Excellent local brewery with brewery tours & tasting experiences where you learn about the brewing process and sample beers (with optional unlimited pints upgrade). Great for: Behind-the-scenes brewing tour + tasting flights.
- **Birmingham Brewing Company** – Independent Stirchley brewery offering guided tours with a tutored tasting of 4 beers and a chance to chat with the brewers. Tours run most weekends. Great for: Short brewery tour with tasting – classic craft beer experience.
- **Birmingham Microbrewery Experience** – A full beer tour that visits multiple breweries including Rock & Roll, Burning Soul and ends with tastings and food at The Wolf. A fun walk-around brewery tour option on selected Saturdays.

### Great Brewery Taprooms & Craft Beer Spots:

These aren't always formal tours, but they're excellent brewery stops – perfect for tastings, flights or relaxed pints in a craft-beer-centric environment:

- **Burning Soul Brewing** – Popular brewery and taproom with great craft beer and often local events. Ideal stop after a brewery tour stroll.
- **Rock & Roll BrewHouse** – Brewpub known for tasty house beers and friendly vibes – also featured on local tour routes.
- **Attic Brew Co.** – One of Birmingham's best-loved craft breweries with a lively taproom in Stirchley.
- **GlassHouse** – Another Stirchley favourite with excellent beers and a buzzing social vibe.
- **Sommar Brewery & Taproom** – Canal-side brewery and taproom – great for combining waterside walks with craft beer

### Fun & Unique Beer Experiences:

- **Birmingham Beer Bike** – Not a brewery per se, but a beer-themed pedal bike tour around the city's bars – a fun way to explore several beer venues while you cycle and sip!
