## THE BEST WESTERN PLUS ULLESTHORPE COURT HOTEL & GOLF...

is located ideally in a very secluded spot in rural Leicestershire with good road and motorway links just three miles away. The 4 star hotel has full modern facilities including the spa and health club, the golf course offers the 'away from it all' feeling even further.

Golfers at Ullesthorpe Court enjoy a peaceful existence in an attractive oasis of countryside calm, an ideal spot to focus on your game and lose yourselves among the tree lined and lush fairways of rural Leicestershire. The course is one of great variety in terms of length starting and concluding with two monster par fives yet also featuring no less than four potentially driveable short fours, albeit rather heavily defended ones. Typically for a resort course there are generously wide fairways to go at and a distinct lack of thick rough, although out of bounds is a constant threat for anything too wayward.

The main examination of your game here comes at the sharp end, the large and speedy greens are heavily contoured and offer a wide range of pin positions which are tough to get near with a long iron. Prepare yourselves for a supreme test of your putting skills, as you just won't be able to avoid

some nervy downhill sliders on some of the best surfaces in the East Midlands. One attractive and very useful quirk here is that the 150 yard markers come in the shape of little bushes either side of each fairway, easily viewed from the tees of even the longest holes on the course.

The stroke index one sixth best sums up the challenge of Ullesthorpe Court. Plenty of space around the dog leg for your long game to avoid the out of bounds threat. Then a downhill long approach takes you to the ultimate putting test, a hugely contoured and epic green, so large it may just have a pin placement for every day of the

week! The layout concludes with a superb 18th, long and undulating with a tough approach to the raised green over trees and the attractive water hazard complete with fountain.

### Our Pick: 9th hole 181 yards Par 3

The embankment of the disused railway line that runs across the heart of the layout is put to good use on this testing signature hole. It now acts as a raised tee, looking down on a short hole with a range of hazards including a pond to negotiate to find the sanctity of the green. The correct choice of club is vital, a trickier task due to the exposed nature of this memorable hole.
