

Responsible Business

We are committed to providing an environment where our associates have the opportunity to achieve their potential, are highly engaged and are empowered to deliver exceptional guest service. We demonstrate our purpose, values and principles of responsible business through policies on employment, human rights, environment, supply chain, and in the conduct we uphold and expect of others.

Human Rights

At the Best Western PLUS Philipburn House Hotel, we support and respect the protection of human rights within the company's sphere of influence and strive to conduct our business operations accordingly. This includes standing against such tragedies as human trafficking and the exploitation of children.
