Dietary Requirements and Allergens Most food preparation takes place in our main kitchen where there is exposure to all of the prescribed allergens. We give no undertaking of any kind to produce allergy-safe food where we have not been given sufficient advance notice (7 working days) of the requirement. While we will use all reasonable endeavours to provide food that does not contain any of the allergens that have been identified and notified to us in respect of specific individuals, we cannot give any undertaking of a level of clinical food preparation conditions that would provide an absolute guarantee of total safety from any allergen contamination.
