## Abbots Barton Hotel

Canterbury, Kent

Each Best Western® branded hotel is independently owned and operated.

## The Hotel

Set within lawned gardens and only a ten minute walk from Canterbury city centre, Best Western Abbots Barton Hotel dates back to 1830 when it was originally built as a private home, in true Victorian Gothic style, becoming a hotel in 1927 and since expanding to its present size.

The hotel is owned and managed by Castlewood Hotels, a family run hotel group based in the South East of England and operates under the Best Western brand.

The hotel has 53 well-appointed guest rooms, some with views of the Cathedral, consisting of standard, executive and deluxe room types, all offering the mod cons expected by today's discerning traveller whilst in-keeping with the style and charm of the building. Amenities include free wifi, large flat screen televisions with freeview and radio channels, hairdryers, phones and tea & coffee making facilities.

## Wining & Dining

The Fountain Restaurant has received an AA Rosette Award for culinary excellence, serving modern British fayre with a focus on fresh seasonal ingredients which are ethically sourced by local producers and farms where possible with an emphasis on what Kent, also known as 'The Garden of England', has to offer. The dinner menu also incorporates a grill section for those wanting something more 'rustic', complimented by a comprehensive wine list and a range of after dinner liqueurs.

The Westfield Bar, situated in the original house, takes its name from that period. It is well stocked with a wide selection of wines, beers, locally bottled ales, spirits and liqueurs. Adjoining the bar, the Garden Room and Library offer comfortable surroundings to enjoy a relaxing drink, including fairtrade and organic hot beverages or perhaps a bite to eat from our popular bar snack menu out on the garden terrace if the weather permits it.

## Meetings & Events

The Cathedral Room offers luxurious air conditioned accommodation for up to 150 people for theatre style meetings, whilst smaller conferences can be accommodated in the Marlowe or Beckett Rooms. The Cathedral Room is also ideal for dinners of up to 120, whilst larger functions can be accommodated in a marquee on the hotel's lawn. There are also facilities for boardroom style meetings or interviews for up to 14 delegates with free WiFi throughout. Best Western Abbots Barton Hotel is also a popular wedding venue, licensed to hold civil ceremonies.

## Canterbury

This World Heritage Site offers a wealth of visitor attractions, from museums, ancient houses and river tour guides, to the popular Canterbury Tales and not forgetting the awe-inspiring Cathedral. Howletts Wild Animal Park is just a 10 minute drive from the hotel, and guarantees a fun experience for the whole family.

Those looking to shop will be delighted at what there is on offer, with all the big names in high street retail, a delightful range of independent and boutique stores and Whitefriars Shopping Centre, ensuring that Canterbury retains its strong position as a leading retail destination.

The city also maintains a modern and vibrant culture, complimented by style bars and restaurants as well as traditional pubs, nightclubs, live music venues and theatres.

For golf enthusiasts, Broome Park and Canterbury Golf Clubs are just a short 10 minute drive with the famous Royal St. George's links course only 13 miles away.
