

Coronavirus Information and Services

In your room...

We have removed a number of items in the bedrooms to reduce the amount of high touch items and ultimately risk of any contamination. These include; Decorative bedding items, Mugs and Spoons, Guest Directory, Tent cards, Pens and pads, laundry bags & tissue boxes. If you required any specific items please dial '0' or call 01707 324336 option 2 from your mobile if you prefer.

Facilities and Guest Directory...

Below are QR codes to access our current offerings on drinks and snacks and our guest directory. There are **reduced services** in the hotel so please be sure to read these. You can access by using the camera on your phone, simply obtain the code in your view finder and a link should appear that you can click on.

If you feel unwell...

If you develop symptoms of Coronavirus please call reception from your room, who will contact appropriate authorities for you. Do not approach reception desk or leave the room as you will need to self-isolate and not put others at risk. The hotel will be able to provide you food and beverage to your door until more advice is given.

Social Distancing...

Please read the signage provided around the hotel and keep a 2 meter distance where possible. We have taken many steps to provide the least amount of contact with others through the hotel and following a specific cleaning schedule provide by quality in tourism.
