WOODLANDS HOTEL

Congratulations

on your forthcoming wedding

Every couple to be married dream of the perfect Wedding Day and we're here to help make your dream come true. We guarantee to do everything we can to ensure you and your guests enjoy a memorable day, for all the right reasons!

Our Management and Staff have years of experience and give exceptional personal service. When you book your Wedding with us you'll have a dedicated Wedding Advisor to help plan everything down to the last detail.

The Hotel

The Ceremony

Woodlands Hotel is an ideal venue to hold the ceremony, wedding breakfast and evening reception all under one roof. In between formalities, guests can mingle within the hotel or grounds while you're having your photographs taken in the woodland gardens.

The Wedding Breakfast

The Ballroom can accommodate any number between 30 and 120 for your wedding breakfast. A smaller number than 24 would suit our Library.

The Evening Reception

The Ballroom is a self contained space with fantastic sprung dance floor, bar and cloakroom. There is staging for a band or DJ and ample parking facilities.

Accommodation

With 65 stylish guest rooms, a leisure club, fully equipped gym and resident masseuse, staying at the hotel before and on the day of your wedding will be a relaxing and enjoyable lead into the big day.

Wedding guests receive discount rates and the happy couple have the night included when they book a wedding package.

We think we've got all bases covered with our packages, however, if you'd like something a little more bespoke, just talk to one of our Wedding Advisors. You can add to what we have included in the package, or, you can start from the base and build the package around your budget.
